Education

VIT Bhopal University, BTech in Computer Science Engineering — Sep 2024 – May 2028

- CGPA: 8.64/10.0

Skills

Cybersecurity Tools: Nmap, Wireshark, Kali Linux, Splunk SIEM

Security Domains: Network Reconnaissance, Penetration Testing Fundamentals, Vulnerability Assessment, Network Security

Cloud Security Fundamentals: AWS IAM, KMS, EC2, S3, CloudTrail, CloudWatch

Programming: Java, Python, C++, JavaScript

Other Tools: Git, GitHub, Linux

Experience

Red Users, Cyber Intern – Remote — March 2026 – April 2026

- Performed reconnaissance, vulnerability assessment and penetration testing exercises in lab environments using Nmap, Wireshark and Kali Linux to simulate real-world attacks.
- Documented findings and recommended mitigations to improve system security.

iOS Club (VITB), Developer Core Team Member — Dec 2025 – Present

- Developed a Flutter-based application for club events using Android Studio.

CSI VITB, Design Core Team Member — Oct 2024 – Present

- Designed banners, posters and social media creatives in Canva and Figma for Sparks'24 and 2 online events with 80+ participants.

Projects

Network Reconnaissance using Nmap (2026) — LINK

- Performed ethical network scanning in a lab setup to identify live hosts, open ports and running services using Nmap on Kali Linux.
- Analysed scan results to flag potential vulnerabilities and documented findings with recommended mitigations.
- **Tech used:** Nmap, Kali Linux, Networking Fundamentals

Sarkar Saathi – AI-Powered Government Scheme Platform (2026) — LINK

- Built a platform offering AI-driven scheme recommendations, eligibility checks and multilingual assistance; secured user sessions with JWT authentication.
- **Tech used:** Next.js, React.js, Tailwind CSS, MongoDB, Node.js, Gemini API, JWT, Web Speech API

PaperNest – Smart Reading & Research Platform (2026) — LINK

- Developed a platform combining books, research papers and news with JWT-based authentication, email notifications and library management.
- **Tech used:** MongoDB, Express.js, React (Vite), Node.js, Tailwind CSS, Google Books API, JWT, Nodemailer

Certifications

Cybersecurity Analyst Job Simulation – Tata Group (Forage) — May 2026

AWS Cloud Practitioner Essentials (Course) – AWS Training — October 2026

ServiceNow Virtual Internship Program – ServiceNow University, AICTE & SmartBridge — May 2026

Achievements

- Selected among the Top 45 Teams in Smart India Hackathon (SIH) (2025)
- Selected among the Top 1,500 Participants in the BigCode Challenge (2026)
- Ranked 211 globally in Algoqueen (2026)
